

The finest hops from
down under.

No disrespect to
kangaroos.

The rich, dark color. Exotic hops from Australia and New Zealand for pronounced citrus, passion fruit and pepper character. Slightly toasted malts. Summit Black Ale takes you on quite a journey. Batch 8 in our Unchained Series from brewer Mike Lundell, this medium bodied, hoppy ale should be a hit with adventurous beer lovers. So get it while you can. Like all our Unchained brews, it won't be around long.

The Summit Unchained Series

We gave our brewers free reign to create any beer style they want. To reinvent obscure traditional brews. To choose the finest, rarest and (gulp) spendiest ingredients. The result? Small batches. Huge flavor.
