CABIN CRUSHER

KÖLSCH-STYLE
ALE WITH LIME

12 OZ. SINGLE CAN

BEHIND THE BREW

Low in alcohol, lightly hopped and high in carbonation and drinkability, Summit Cabin Crusher is a traditional Kölsch-style ale spiked with fresh lime peel and puree, plus lemon-lime citrus-forward hops from the U.S., including Lemon Drop and Loral varieties. Balanced by malt flavors and aromas of honey, biscuit and toast, the end result is a crisp, thirst-quenching ale perfect for hot days in Cabin Country. Slightly hazy in appearance, floral notes lead to huge citrus rind aromas of lemon and lime.
