

SUMMIT HEFEWEIZEN

HEFE-
WEIZEN

12 OZ. SINGLE CAN

BEHIND THE BREW

A classical German wheat beer with a creamy mouthfeel and refreshing finish, this Hefeweizen features a tremendous yeast strain that creates aromas of banana and clove. A complex blend of pils and wheat malts provides a toasted base with a hint of breadcrumb, complemented by gentle hopping with Tettnang hops, a traditional German variety.

PACKAGED APRIL 2017
