

# SUMMIT OATMEAL STOUT

## OATMEAL STOUT

### BEHIND THE BREW

Summit Oatmeal Stout will now be available in a can. Our Oatmeal Stout recipe remains the same and is a deliciously balanced dark beer. Fans of our nitro draught stout can expect the same notes of hazelnut, caramel and chocolate; however, this stout is crisper and sharper in flavor while finishing full, smooth and slightly sweet. Summit Oatmeal Stout in a can will give you a wonderfully different experience from nitro draught and is a great extension of this beloved brew!
